How well do you know your local reporters, editors, bloggers and media decision-makers? Would you like to get to know them even better? Business Wire understands that building strong relationships with the people who cover Washington is the key to successful media relations.

Join us for Business Wire's Media Roundtable Discussion and meet with some of Washington's most prominent media outlets to learn more about their continued transition to the digital world, pitching do's and don'ts, how they use mobile technology and much more. You will participate in small group discussions with executives, editors, reporters and writers from a variety of news outlets including KING5, The Seattle Times, Crosscut, The Puget Sound Business Journal, msnNOW, West Seattle Blog, Yakima Herald Republic and Kitsap Sun.

This event will be a great opportunity for you to develop new relationships and build upon your existing ones with some of Washington's most influential media. Please bring your business cards and questions.
