Join Business Wire Florida as we hear from local media professionals about what they look for in potential stories and what they're doing to keep pace with social media. No matter what industry you're in, we all have something in common - we would all like to know the best ways to attract media coverage. With the countless potential news stories that media are pitched on a regular basis, what makes the difference in their covering one story over another? Are there certain criteria the news must meet before it is even considered? In the ever-changing world of technology, what are media outlets doing to keep up with social media? Hear the answers to these questions and many more at our media breakfast.

*After our Media Panel discussion you are invited to have a tour of the beautiful brand new Alfond Inn.*
